

Hi Competition Dance Parents,

We are getting closer and closer to Competition time and I can't tell you how excited I am!!!! I want to thank you for all your patience with me so far. I'm soooo pleased with all the hard work the girls have been putting toward their dances and they have truly blown me away with their dedication. Since we are getting closer I talked to Ms. Alyssa and I will be teaching "Technique Time" classes (Saturday 10-11am) in January (\$5/class or 1 punch/class). At these classes, we will spend the first half hour stretching and doing some technique the other half I will let the girls run/work on their team routines/solos/ duets and do them in front of one another. I will not however be critiquing them at this time. I have set up times on a couple of these days (see below) for some one on one time to run their routines more, clean up and critique them. The sign up sheet is at the front desk. These private lessons will run \$20/half hour; due to "Lacey VanHorn" at the time of the lesson.

If you have any questions please don't hesitate to ask! ☺

Thank You All Very Much!!!

Ms. Lacey

Saturday Morning "Technique Time" Classes Ms. Lacey will be teaching:
