

Spirit of America Cheer Competition

Crowne Plaza, Airport/Mall of America

<http://www.cpmairport.com/index.php>

The cheer competition will take place on Sunday, January 22nd. For this competition we will require everyone to arrive on the afternoon of Saturday the 21st and stay overnight that night so that we can practice and be ready for competition the following day.

While only a Saturday night stay is required, we have reserved a block of rooms for Friday and Saturday evenings in case families choose to come early and make a longer weekend trip. Friday night is completely optional, we just wanted to offer you the choice.

Kristin Ricke with Ricke Vacations has made the arrangements for our hotel stay. In order to reserve your room in the Superstars block please fill out the following information and **return to the front desk by Tuesday, Oct. 18th**. You will receive confirmation from Ricke Vacations once the reservations have been confirmed.
