SPECTATOR FEES: FREE!
PARKING: FREE!

When you arrive, cheerleaders will need to be in uniform with hair and make up already done. NO NAILPOLISH, NO JEWELRY! You should have your warm up on over your uniform and cheer shoes in your bag. From our meeting spot, the coaches will take the teams to the warm up area. Cheerleaders will need to leave all valuable items with their parents because there is no locked storage area; only bring what is considered a necessity. The coaches are not responsible for your bags; however we will find a spot for the team to leave all bags and coats. *Both teams will stay together until our performance times, unless otherwise discussed at our 12:00pm meeting time.*

During Grimes Superstars performance time, family members, and friends are ushered into the VIP Seating area, directly in front of the stage for premium viewing (and cheering!) of our teams. Only during this time are you allowed to sit here. Following the performance, you will be ushered back out to the general viewing area. As of today our performance times are listed below, but this is subject to change per JAMfest.

HYDRA: warm up 1:00 performance 1:25
ORION: warm up 1:40 performance 2:05

Immediately following each performance, teams are ushered into the "Step and Repeat" area where we can take team pictures. Parents are welcome to join, however, we **will only have 3 minutes to take pictures here** so we will continue with out tradition of more team photos after awards! The awards will follow the afternoon performances; as of today, **awards are scheduled for 2:25**, also subject to change. During awards the team must be in full uniform and will sit together on the mats. Per JAMfest, parents and spectators are not allowed onto the floor. After awards the team will take team photos, and then everyone is free to leave.

There is no information regarding video at this time. Outside food and drink cannot be brought onto the premises. Bags are subject to check at the doors by event staff.

As always, please bring your team roster/phone tree with you in case of an emergency or inclement weather. This is the last competition of the year – let's go out with a BANG! **The theme to this event is 80's Rock so wear your best rock outfit with your Superstars apparel ☺** Don't forget your enthusiasm and continued encouragement! Please let us know as soon as possible if you have any questions!

Thank you!
