

Lynx Competition Team Rhinestone Application Instructions

Below you will find the instructions for applying the rhinestones to this years competition costumes. As always we recommend using E6000 glue, which can be purchased at Hobby Lobby or Wal-Mart.

Jazz – Red/Black Halter Top w/Skirt

Rhinestones need to be applied to the collar of the costume. There needs to be 10 on each side of the collar, 5 across the top and 5 down the outside of the fold. There will also be rhinestones around the top of the gloves. Lay the glove flat and glue 5 rhinestones on each side. See diagram on picture below:

Tap – Red/Blue Dress w/White Poka Dots

There are no Rhinestones needed for this costume ☺

If you have any questions, please don't hesitate to ask!! It's sometimes easier to show and explain rather than to read it, we want all of the girls to match!

Thank You!!!

****** IF YOUR COSTUME IS BIG OR NEEDS ALTERED, A SEAMSTRESS (SUE) WILL BE AVAILABLE THIS SATURDAY, JANUARY 14TH AT 10:00AM FOR ANY ALTERATIONS!! YOU ARE MORE THAN WELCOME TO USE YOUR OWN, OR WE HAVE PROVIDED HER FOR YOU.**
